

YOUR PARTNER IN  
**PRODUCTIVITY**

To Whom It May Concern,

OEM Group is pleased to announce its recent acquisition of AMS GSE Pty Ltd a Launceston, Tasmanian based company. AMS GSE is Australia's leading innovator in aviation ground service equipment including aircraft access stairs, access lifts, de-icing units, baggage trolleys and more.

Founded in Perth, Western Australia, OEM Group has been servicing all states of Australia and overseas over the past 40 years. OEM Group works with many companies involved in mining, civil, oil, gas, marine, aviation, transport, and industrial sectors.

OEM Group's mission is to optimise the productivity of our clients partnering with superior products, service and design with safety at the forefront. We commit ourselves to creating custom solutions or prefabricated products that slash your downtime cost, improve safety, maximise your performance and optimise your productivity to the highest level. If there is a safer and more productive way to do the job, we will find it.

**OUR PRODUCTS:**

OEM Group is very proud to be the exclusive WA Distributors for Spitwater Pressure Cleaners, Jetfire Space Heaters and Diacon Conveyor Guards, and the designers/manufacturers of Steprite® Safety Access Platforms, Jackrite Jacking Stands and WestChock® Wheel Chocks.

**OUR SERVICES:**

OEM Group provides a range of services including Asset Management, Pressure Cleaner Servicing (on site or at our workshops), and Hire (Pressure Cleaner, Pressure Cleaner Trailer, Access Platforms and Jacking Stands). We also engineer and fabricate fit-for-purpose products to our clients' specific requirements.

Our new acquisition will broaden OEM Group's offering to deliver high-quality products and services to our customers in the global aviation ground services industry.
